# ABOUT me

I'm Anwar, a graphic designer who believes in the power of visual storytelling. Whether it's branding, print, or digital—I turn ideas into bold, functional designs with a sprinkle of obsession for details. Take a look around, and let's create something unforgettable together.

LOGO BASE FONTS: **ABOLITION ROUND**

### CLEAR SPACE

It is critical to maintain an open area surrounding the logo so it remains recognizable and does not become lost in other page elements. Clear space is defined relative to the size of the logo, not as a border of a set distance (such as saying "1/4 inch"). In this case, we use the HEIGHT of the letter "M" in "MITCHELL."

# HIGH

In the FA Cup final, Mainoo scored the eventual winning goal in a 2-1 victory over local rivals Manchester City.

He became the first English teenager to score in a final since Steve MacKenzie in 1981 and the youngest since John Sissons in 1964.
